Sponsorship Information

The General Federation of Women's Club-Women's Club of South County provides scholarships to women and mini-grants to organizations in South County. We are always surprised at the basic needs in our area that go unmet and the pandemic has had a devastating effect. GFWC-WCSC will be able to impact many of those needs through our Book & Author fundraising event. We are finally able to once again have an in-person event in 2022! We ask you to consider participating as a generous sponsor for this event. Your sponsorship would allow our Club to have a broader reach in our communities and help to strengthen the many areas of need in South County.

This year is the 22nd year of this benefit and the 60th anniversary of our club. A sell-out crowd of over 330 women attend this popular luncheon year after year. Our lineup of authors, Beatriz Williams, Chef Jeanie Roland and Susan M. Brescia will be exciting and informative and, of course, our emcee, Michaela Johnson of The Rhode Show will be returning.

100% of your corporate charity dollars will go to support well-deserving non-profits in South County. The money raised through sponsorship, and the sale of books, tickets and raffles at this event is used to support our Scholarship Fund and non-profit organizations in South County committed to the arts, conservation, education and social service. Some of the organizations that we have supported include: Johnny Cake Center, Washington County coalition for Children, Domestic Violence Resource Center of South County, Habitat for Humanity for RI and Crossroads. Your sponsorship makes a significant impact!

We are asking for you to support this fundraising event by becoming a corporate sponsor. For details concerning your donation and marketing options, please see below.

Your generosity is greatly appreciated. Thank You.
